Dear Friend and Community Member,

On October 17th 2014, "Funding the Fight" Dinner and Dance Semi Formal Gala will be held at the Mississauga Convention Centre. All net proceeds are going to support the Sunnybrook Foundation Brain Tumour Research.

Sunnybrook Health Sciences Centre is a national leader in research for brain tumour treatments. Some 55,000 Canadian are living with brain tumours. To improve patient outcomes, Sunnybrook's scientists are conducting wide-ranging studies and advancing new therapies.

In these tough economic times, private funding supported by our community is needed more than ever. **We are turning to you for support through the donation of a gift card or item for our silent auction table.** Your contribution is greatly appreciated and will make a difference in the lives of those living with a brain tumour.

Should you wish to attend the event please contact us for tickets. Sponsorship opportunities are also available.

Thank you in advance for your consideration,

Funding the Fight Committee
